

# Commemorative Park Bench Order Form

*Your Bench...Your Spot...Your Memories*

Thank you for supporting Cacapon Resort State Park with your donation of a commemorative park bench. The bench is made in America from recycled plastic. It is 4 feet in length and will be affixed with a personalized commemorative raised letter bronze plaque. Once your donation of \$1500 is received you will be involved with every step along the way to its final installation at your spot. These steps include deciding on the wording of your plaque and placement of the bench (with location approved by the Park Superintendent). You will be notified when the bench is ready for placement and will have the opportunity to participate in setting the bench if desired. Pictures of your bench will be taken and placed in an album on our Facebook page and/or sent to you-the choice is yours. Let the memories begin...
